Vermilion High School Sailor Marching Band
2026/2027 Commitment Form
Due: Fee Due May 19th

I fully understand the dedication and responsibilities that come with being a member of the Sailor Marching Band. Each year, the directors invest countless hours preparing music, drills, and logistics for a successful season. In turn, every member is expected to contribute equally by honoring their commitment to attend all required practices and rehearsals, and by upholding the standards and integrity of the band.

When members fail to take this commitment seriously, it places an unfair burden on the directors, their fellow bandmates, and the program as a whole. For that reason, by signing and submitting this form, I am making a sincere and binding commitment to the directors, my peers, and the Vermilion Marching Band. This pledge reflects my dedication to being a dependable team member throughout the entire season.

My participation in the Marching Sailors is something I know will be a meaningful and memorable part of my high school journey—an experience my family, friends, and I can take pride in for years to come. Additionally, this commitment assures the directors that they can count on me for the full duration of the 2026–2027 season.

Please return this completed form along with the non-refundable \$85.00 band camp fee. I understand that this payment secures my personalized position in the pre-game and halftime performances, as well as in the parade block.

Student Name: _____

Instrument: _____ Grade(26-27) _____

Address: _____

City: _____ Zip: _____

Phone Number(s): _____

Parent Email: _____
